Dear Senior Golfer,

Thank you for your interest in the Springfield Senior Golf Association (SSGA)! In order to apply for membership and be placed on the established waiting list, ***you must be at least 55 years old***. Further, as stipulated in the SSGA By-Laws, you are not eligible for active membership prior to reaching age 60. If you receive a letter inviting you to join, and you do not yet qualify by the age criterion, one of the options available to you is to maintain your spot on the waiting list until you do become age eligible.

You should also be aware that ***a requirement of membership is that a member participates in a minimum of one half (50%) of our scheduled tournaments. Failure to do so may result in cancellation of membership.*** Generally, there are 14 to 16 scheduled tournaments during the season and these are almost always scheduled on a Monday. In addition to annual dues (currently \$50), members are required to pay greens fees and cart rental fees as specified for each tournament. The greens/cart fees depend on the respective golf course and generally range between \$30 and \$80. Dues and greens/cart fees are the only financial obligations of membership. A schedule of tournaments and greens/cart fees are distributed to the membership once they have been established for the season and also can be found on the SSGA Web Site, www.springfieldseniorgolf.com.

Again, thank you for your interest in Springfield Senior Golf Association. If you would like your name added to the current waiting list, ***please complete the information below and return this letter with the completed information and your check of \$5 for the administrative fee.***
